RTP ENSURES EQUIVALENT SUPPORT FOR ALL TRAIL USER TYPES BY REQUIRING A DIVERSE DISTRIBUTION OF PROJECTS

**40%** for diverse recreational trail use (more than one user type)

**30%** for motorized recreation use only

**30%** for nonmotorized recreation use only

The RTP provides funds, based on off-highway fuel taxes generated in each state to develop and maintain recreational trails and trail-related facilities for both nonmotorized and motorized recreational trail uses. The Annual Report highlights some of the best projects across America.
